<p>*Please note if you are seeking a waiver of the fee on the grounds of general public interest you will need to explain how the information you are seeking will be used for a public purpose: In order to save time, I have not sought a fee waiver. However, I note that there is a high level of public interest in the proposed move of UTAS' southern campus into the Hobart CBD and the redevelopment of the Sandy Bay campus. It is clear, from evidence in the public domain, that by 2017 the plan of Vice-Chancellor (VC) Rathjen to move into the Hobart CBD was well underway. I am seeking information on: the selection process for VC Rathjen's successor (Rufus Black); whether the proposed move was a factor in this; and the extent to which Rufus Black critically assessed the proposed move as the incoming or new VC.</p>
